LeeAnn O'Malley

I would like to take this opportunity to express my appreciation and thanks to the efforts of EZGSA and, particularly LeeAnn O'Malley, for assisting Noosh, Inc., with its GSA proposal. LeeAnn as able to persevere an agency office move during the holidays, a couple Contracting Officer changes, and still managed to successfully get us on the schedule in a reasonable time-frame. Her guidance and instructions were always on the mark and her answers to my questions were always responded to in a matter of minutes.
