Dear Scott,

We would like to thank you and your staff for your efforts, experience, and expertise in helping us to win our GSA contract award.

We especially commend Rob Howe for his ability to deal simultaneously with Soneticom and GSA, and the courteous yet disciplined way he accepted our inputs and professionally applied them to the formal proposal and final negotiations.

It has been a pleasure to work with your company. We would be pleased to recommend EZGSA to any future clients should the need arise.

Sincerely,

Tim Reynolds, President and CEO
Soneticom, Inc.
