RE: Happy Client

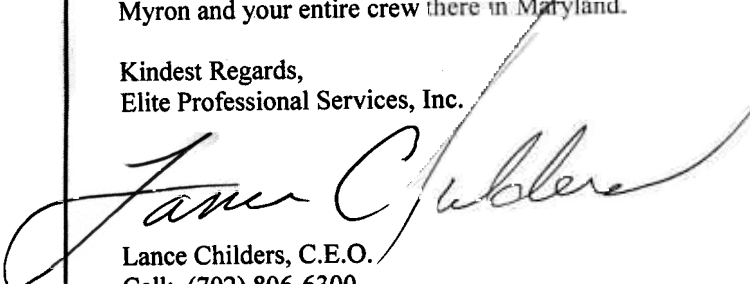

Gina,

I just wanted to drop you a line expressing my appreciation for all of the hard work that you have done in helping us obtain our GSA number, which we received on May 17 of this year (my birthday!). I know that you personally spent many hours in tedious labor and negotiations on our behalf. I realize that it is just a job that you do, but to me, it was much more. It was a part of you and EZGSA's commitment to bring small businesses like Elite into the competitive world of providing goods and services to the biggest client of all.

On behalf of myself, and my entire team at Elite Professional Services, I want to extend a heartfelt THANK YOU! You were very easy to work with and very accommodating throughout my painstaking endeavors to reach this goal. Your guidance and commitment were right on target and much appreciated.

I will look forward to a continued relationship between Elite and EZGSA. Please give my best to Myron and your entire crew there in Maryland.

Kindest Regards,
Elite Professional Services, Inc.
