**Re: FedGov Supply GSA Contract award**

Hi Scott-

Sorry for the delay with this note. We have been swamped with EOY Federal schedule.

I just wanted to thank Jack & Magdalena for the great job they did on our GSA 75 Schedule.

Magdalena & Jack were in constant contact and were very helpful in answering any questions during the process.

Please know that we were very happy with their service.

Have a great afternoon,

Carl Donnelly
