RE: Letter of Appreciation

Dear Scott,

I would like to extend my sincere appreciation to you and your staff of professionals for their steadfast support throughout the contract submission process in obtaining two subsequent GSA Schedule awards for Intertape Polymer Group.

On a personal note, I would like to commend Gina Brown Alston, who was an absolute pleasure to work with. Her subject matter expertise and dedication were proven from the very beginning. However, I must admit that, on occasion, I had my doubts as to whether these awards would materialize but it was Gina's focus and perseverance that overcame the challenges and eventually achieved success. It is people like Gina that truly make a difference!

Thank you again for everyone's efforts and support and look forward to Intertape's continued relationship with EZGSA.

Sincerely,

Drew Kisela
