Subject: **Mike Wannemacher did an Excellent Job!!!!**

Scott,

My colleagues and I wanted you to know that Mike Wannemacher was an absolute pleasure to work with and very professional. He made the GSA scheduling process very easy from our end.

We were not sure if our products would qualify to go on GSA, however, with Mike's guidance throughout the process, we have been approved and will be finalized any day now.

Regards,

Mary Carey
Director Finance and Administration
