November 27, 2004

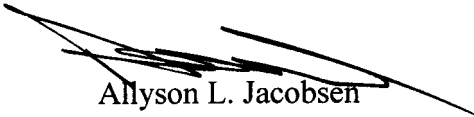

Dear Scott:

I just wanted to personally drop you a line to tell you how outstanding my experience has been with EZGSA.

Both Kyle and Rick did fabulous jobs getting our MOBIS and AIMS schedule. They were able to take our small business, with its limited experience in the marketplace and validate our offering to the GSA.

We could not have succeeded without them, keep up the good work.

Sincerely,

Allyson L. Jacobsen
President
