I would like to thank the EZGSA team especially (Gina Brown Alston and Ralph Rotfus) for their professionalism and exemplary attention to detail. Gina was always in touch with the Netelisy's team from beginning to end with the pursuit of our GSA.

The process was both expedient and stressless with Gina taking care of all the details. It has been a great pleasure to both work with and develop this business relationship. I would recommend this service to all companies pursuing their GSA.

Best Regards,

Wil Costales
