Dear Evie:

Thank you so much for all of your hard work in getting us our GSA Schedule contract. EZGSA personnel were extremely helpful, professional and, most importantly, knowledgeable about every step of the contracting process: from initial data gathering to administrative review and final negotiations. Having previously gone through this process without any outside help, I can't emphasize enough how much easier and faster it was using your services. It was a pleasure doing business with your company and we are hopeful that we can continue to work together with upcoming modifications and maintenance issues.

Thank you again,

Mitchell Gottlieb  
Director of Operations
