Attention: Rob Howe, Proposal Writer

Dear Rob,

Thank you and everyone at EZGSA for your help in obtaining a GSA schedule contract for Sterling Construction Services Inc. EZGSA personnel were helpful, professional, and knowledgeable about every step of the contracting process; from initial data gathering through offer submission, administrative review, and final negotiations.

It was a pleasure doing business with EZGSA and we look forward to working together with upcoming modifications and maintenance issues.

Sincerely,

A handwritten signature in black ink, appearing to read "Sterling Crockett", is written over a horizontal line.

Sterling Crockett
Chairman and Chief Executive Officer
