To whom it may concern,

I am writing this letter to personally thank Gina Brown-Alston our Proposal Specialist for all her hard work and perseverance in assisting Telsource Corp. in obtaining our GSA schedule. The process was not a simple one and our offerings were even more complicated. Gina was able to understand our business model and articulate it to GSA and internally back to Telsource.

Through the entire process she was professional, knowledgeable and responsive, again thanks for all your help.

Sincerely,

A handwritten signature in black ink, appearing to read "JK", followed by a long horizontal line extending to the right.
