Dear Mr. Orbach:

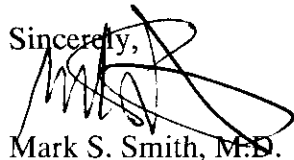

I would like to thank you and your team for all your help in securing our GSA MOBIS schedule contract for the ER *One* Institute at Washington Hospital Center.

In particular, I would like to single out Jack Eisenstein who was instrumental in moving our organization through the application development and contract negotiation. He was extremely professional, knowledgeable and helpful about each step of the process. His patience and diligence through the lengthy procedure kept us moving toward successfully achieving our goal of securing a GSA contract.

Obtaining the MOBIS schedule is a major accomplishment for our organization and will afford us the ability to further our mission of providing comprehensive Emergency Preparedness services to the government. It was a pleasure doing business with EZGSA and we look forward to exploring other opportunities to do business with your company.

We are happy to serve as a reference site for your organization.

Sincerely,

Mark S. Smith, M.D.
